

9.7" ANDROID TABLET

HD VIDEOS

HD GAMES

WEBCAM

BUILT-IN MIC

The new Le Pan Mode de Vie's 9.7-inch capacitive touch screen display offers stunning high definition display with a wide, 178 degree, viewing angle that allows you to share pictures, videos, and a good time with friends next to you.

1GHz
PROCESSOR

Speedy responsiveness from the ARM Cortex-A8 1GHz processor and 512 MB of DDR2 RAM.

ALUMINUM
GREEN MATERIAL DESIGN

ULTRA THIN
ONLY 1CM

The tablet is ultra portable. It weighs 1.6 pounds and just 0.48 inches thin. Le Pan Tablet has a super slim and sleek design and feels very comfortable in your hands with its smooth beveled edges.

With the Android 2.2 OS (Froyo), the Tablet offers full support for Adobe Flash Player 10.2 for accessing Flash-enabled websites, watching 720P video and playing games. It's great for multitasking, viewing multiple apps, browsing entire web pages, and sharing entertainment and photos.

Le Pan

Service: 1-855-537-2672 (1-855-LePanPC) www.lepantab.com

Up to 32GB of storage with external Micro SD card, built-in Wi-Fi, Bluetooth 2.1, and even GPS, it's ready for anything and will come in very handy everywhere.

7 HOURS
BATTERY LIFE

The long lasting battery life gives you more time to enjoy the music or video you play. It is an entertainment on the go. It also allows you to use for a longer time no matter where you are. Never before has a tablet this size that is meant to be used while close to nature.
